The 49 best gifts under \$50

Shipping deadlines are around the corner! Here are Fast Company's top gift ideas for beauty, pets, wellness, cooking, food, puzzles, wine, and more

The holidays are *right* around the corner, but luckily there's still time left to shop for—and ship—goodies. (But hurry: You have to order by December 14 for most retailers.) For all the remaining friends, family, and colleagues on your list who you want to buy a perfect little something for (but not *too* much), we've developed the ultimate gift guide to trinkets, tokens, and delights under \$50. Whether they're a beauty maven, dog lover, design freak, or food fanatic, you're sure to find something here they'll love.
