SOCIETY6

**W**hile the adult world stipulates that you still have to work even when the weather is gorgeous and it feels like everyone else is on vacation, when you do have a day (or even just a few hours to yourself), you'll want to make the most of it.

No matter where you live, summer is a time to be outdoors and soak up the sunshine. You can always travel to the beach, a nearby park, a lake, a pool, or even your own backyard or patio for a day of lounging and some well-deserved rest and relaxation.

No matter where you go, Society6 wants you to do it in style. The home and décor brand recently launched their very own outdoor collection and each piece is as colorful and graphic as you'd expect from the retailer known for their bold art prints and creative designs.

The line includes sling chairs, sun shades, folding stools, picnic blankets, floor cushions, and welcome mats that boast colorful, retro-inspired prints. Keep scrolling to shop the new collection.
